Spend about 30 minutes taking in the towering ice-covered trees up close. After this magical experience, descend by lift and conclude the tour back at Zao Liza World.

## About Juhyo Viewing

### 1. What is Juhyo (Snow Monsters)?

They are a world-famous natural phenomenon created by unique weather conditions of the Zao range and the Aomori fir trees.

### 2. Where are the juhyo fields?

You can find the Juhyo fields at the top of ski area. Take the Liza Express and Liza Pair II lifts to get there.

### 3. What clothing should I prepare?

The Juhyo fields are extremely cold. Warm clothing, gloves, a hat, and boots are required. Winter wear can be rented if you don't have your own.

### 4. Can anyone go to the juhyo fields?

We recommend joining a guided tour and staying with the group.

## Important Notes for Juhyo Viewing

1. Tour reservations must be made in advance.
2. Follow staff instructions when boarding and exiting lifts. While riding, keep the safety bar lowered and do not rock the chair.
3. Stay with the group — never go off alone.
4. Stay alert-Watch out for skiers and snowboarders while walking.
5. Make sure to dress appropriately for cold weather.
